Chapter 7

TRUSTEE’S MOTION FOR AUTHORITY TO SELL CLAIM

A. Cotten Wright, the duly appointed chapter 7 trustee (the “Trustee”) in this case, hereby brings this *Trustee’s Motion for Authority to Sell Claim* (this “Motion”) and in support, respectfully shows the Court as follows:

BACKGROUND

1. On April 10, 2024, the debtor (the “Debtor”) filed a voluntary petition for relief pursuant to chapter 7 of the United States Bankruptcy Code.
2. The Court thereafter appointed the Trustee.
3. The Debtor’s bankruptcy papers listed Accounts Receivables owed to the Debtor by ConvergeOne in the amount of \$29,814 (the “A/R”).
4. The Trustee’s investigation revealed that ConvergeOne, Inc. and its affiliates have filed a bankruptcy case in the United States Bankruptcy Court for the Southern District of Texas, Case No. 24-90194 (the “ConvergeOne Bankruptcy Case”).
5. The Trustee filed a proof of claim for the A/R in the ConvergeOne Bankruptcy Case (the “Claim”) in the amount of \$29,814.
6. The Claim is property of the estate pursuant to 11 U.S.C. § 541.

7. The Trustee has entered into a Claim Assignment with CRG Financial LLC (the “Claim Assignment”) to sell the Claim, subject to court approval, for the sum of \$14,907, a true copy of which is attached hereto as Exhibit A.

RELIEF REQUESTED AND BASIS FOR RELIEF

8. Through this Motion, the Trustee requests authority to sell the Claim pursuant to the Claim Assignment and 11 U.S.C. § 363(b)(1).

9. Section 363(b)(1) of the Bankruptcy Code permits trustees to sell property of the bankruptcy estate outside the normal course of business upon a motion and notice of hearing.

ARGUMENT

10. In her capacity as the Debtor’s trustee, the Trustee is charged with liquidating the assets of the Debtor’s bankruptcy estate for the benefit of creditors.

11. Because collection of the Claim through the ConvergeOne Bankruptcy Case is speculative, the Trustee’s proposed sale of the Claim reflects an efficient means of liquidating that asset for the benefit of the bankruptcy estate.

12. Given the circumstances of this case, the Trustee maintains that selling the Claim would be in the best interests of creditors in this case.

13. Notice of this Motion is being provided to those parties listed on the mailing matrix for this case.

WHEREFORE, the Trustee prays that the Court will enter an Order granting this Motion; authorizing the Trustee to sell the Claim pursuant to the Claim Assignment; and providing such further relief as is just and proper.

This is the 13th day of June, 2024.

The term “Proof of Claim” includes: (a) all Proofs of Claim filed by or on behalf of Seller, and (b) any of Seller’s documentation supporting the Claim. The parties agree that if the Proof of Claim amount differs from the Claim Amount, Purchaser shall nevertheless be deemed the owner of the Proof of Claim and shall be entitled to identify itself as owner of such Proof of Claim on the Court records.

Representations; Warranties and Covenants. Seller represents, warrants and covenants that, (a) Seller owns and has sole title to the Claim free and clear of all liens, security interests or encumbrances of any kind or nature whatsoever, including, without limitation, pursuant to any factoring agreement, and, upon the sale of the Claim to Purchaser, Purchaser will receive good title to the Claim; (b) Seller has not previously sold, assigned, transferred, or pledged the Claim, in whole or in part, to any third party and neither Seller, nor any third party, has received any payment or distribution, in full or partial satisfaction of, or in connection with, the Claim; (c) the basis for the Claim is amounts validly due from and owing by the Debtor; (d) the Claim is a valid, undisputed, liquidated, enforceable, and noncontingent claim against the Debtor for which the Debtor has no defenses and no objection to the Claim has been filed or threatened; (e) Seller has not engaged in, and will not engage in, any acts, conduct or omissions that might result in Purchaser receiving, in respect of the Claim, less payments or distributions or any less favorable treatment than other similarly situated creditors; (f) Seller is not aware of any defense, claim or right of setoff, which would reduce, impair, disallow, subordinate or avoid the Claim, including preference actions; (g) Seller has not entered into an agreement with the Debtor or any other party to compromise the Claim; and (h) Seller is not an “insider” of the Debtor, as set forth in § 101(31) of the Bankruptcy Code, or a member of any official or unofficial committee in connection with the Case.

Notices; Further Cooperation. Seller agrees to promptly forward to Purchaser all notices received from Debtor, the Court or any third party regarding the Claim and to take such other action, with respect to the Claim, as Purchaser may request. Seller shall take such further action as may be necessary to effect the transfer of the Claim and to direct any Recovery to Purchaser, including the execution of voting ballots, transfer powers and consents at Purchaser’s sole discretion.

Recovery Received/Delayed by Seller. In the event Seller (i) receives any Recovery made payable on or after the date of Seller’s execution of this Agreement; or (ii) delays or impairs Purchaser’s right to Recovery for any reason (each (i) and (ii) a “Delayed Recovery Event”), then Seller agrees to (a) accept any Recovery as Purchaser’s agent and hold the same in trust on behalf of and for the sole benefit of Purchaser and shall promptly deliver the same to Purchaser in the same form received, or in a form reasonably requested by Purchaser, free of any deduction of any kind, and/or (b) settle or cure the reason for the Delayed Recovery Event (each (a) and (b) a “Settlement”) within fourteen (14) business days of the Delayed Recovery Event (the “Settlement Date”). Seller shall pay Purchaser interest, calculated at the rate of two (2%) percent per month, of any amount or portion of Recovery that incurs a Delayed Recovery Event, for each day after the Settlement Date until Purchaser receives such Recovery.

Authorizations. Seller irrevocably appoints Purchaser as its true and lawful attorney and authorizes Purchaser to act in Seller’s stead, to demand, sue for, compromise and recover all amounts that are, or may hereafter become, due and payable on account of the Claim. Seller grants Purchaser full authority to do all things necessary to enforce the Claim and its rights thereunder. Seller agrees that the powers granted in this paragraph are discretionary in nature and that Purchaser may exercise or decline to exercise such powers at Purchaser’s sole option. Purchaser shall have no obligation to prove or defend the Claim.

Indemnification. Seller agrees to indemnify Purchaser from all losses, damages and liabilities, including reasonable attorney’s fees and expenses, which result from Seller’s breach of any representation, warranty or covenant set forth herein, and/or litigation arising out of or in connection with this Agreement.

Governing Law. This Agreement shall be governed by and construed in accordance with the laws of New York State without giving effect to choice of law principles. Any action arising under or relating to this Agreement shall be brought in any State or Federal court located in the New York State, and Seller consents to and confers personal jurisdiction over Seller by such court or courts and agrees that service of process may be upon Seller by mailing a copy of said process to Seller at the address set forth above, and in any action hereunder the Seller and Purchaser each waive the right to demand a jury trial.

Miscellaneous. Purchaser shall have the right to all remedies including specific performance and other injunctive and equitable relief without a showing of irreparable harm or injury and without posting a bond for any breach of this Agreement. Each party acknowledges and agrees that it is not relying on any representations, or statements, except to the extent that the same are expressly set forth herein, and that each party has full authority to enter into this Agreement and that the individuals executing this Agreement have authority to bind the party for which they sign. The parties hereby mutually agree and stipulate that the terms of this Agreement are jointly negotiated terms. Accordingly, any rules of interpretation or resolving ambiguity against the drafter shall not apply. This Agreement (i) may not be modified except by an agreement in writing signed both parties; (ii) constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof and (iii) supersedes all prior agreements and understandings pertaining to the subject matter hereof, whether oral or written. Seller hereby acknowledges that Purchaser may at any time resell the Claim, together with all right title and interest received by Purchaser in and to this Agreement. Seller shall not assign or otherwise transfer its rights or obligations under this Agreement without Purchaser's prior written consent. This Agreement shall be binding upon any prospective successor of Seller (whether by operation of law, merger or otherwise) or on any purchaser of all or substantially all of Seller's assets, in which case such purchaser, successor or assignee of Seller shall be bound by the terms and conditions of this Agreement. All representations and warranties made herein shall survive the execution of this Agreement and any transfer. This Agreement may be signed in counterparts and by commonly acceptable forms of electronic transmission, each of which shall be deemed an original and all of which taken together shall constitute the Agreement. Failure or delay on the part of Purchaser to exercise any right, power or privilege hereunder shall not operate as a waiver thereof.
